

Inspiring education that leads
to outstanding outcomes

Have you considered being a school governor?

Various voluntary opportunities
across Northamptonshire and Milton Keynes

Whether you are an experienced Chair of Governors or looking for your first step into school governance, we are keen to hear from you.

This rewarding opportunity enables people from all walks of life to use skills and experience gained throughout their professional and personal lives to help schools improve the life chances of young people. This role is voluntary.

Tove Learning Trust (TLT) is a multi-academy trust which has recently undergone a rapid period of expansion. We currently have thirteen schools across Northamptonshire/Milton Keynes and the West Midlands and are responsible for around 10,000 pupils in primary and secondary education.

This is an exciting time to be part of the Tove Learning Trust. Becoming a school governor would enable you to play a vital role in making sure every child gets the best possible education. You do not need to be a parent of a child at one of our schools, although we do have opportunities for parent governors as well.

We would be delighted to hear from anyone who has:

- An interest in the performance of the schools
- An open and enquiring mind and the ability to look at issues objectively
- The confidence to ask questions and join in debate
- A willingness to listen and make informed judgements
- The ability to work well with others
- Some time to spare (6 full meetings per year, usually held early evening)

If you have the time, skills, energy and commitment for this rewarding and fulfilling role we would love to hear from you.

The Trustees of Tove Learning Trust are committed to safeguarding and promoting the welfare of children, young people and vulnerable adults and expects all staff and volunteers to share this commitment.

A full DBS clearance check will be required.
